

ORANGE COMPLETES TWO STREET REPAVING PROJECTS

Mayor Eldridge Hawkins, Jr. announced the completion of two street repaving projects: Ogden Street from Reynolds Street to Central Avenue and Chapman Street from Center Street to Hickory Street. The project included repairs of curbs, sidewalks, and driveways as well as milling of the pavement, road resurfacing, and drainage improvements.

Funding came through Essex County government from a federal Community Development Block Grant (CDBG). The total project cost was \$268,600.
