
Orange Rec baseball teams vie in World Series in Florida

For the first time, the Orange Recreation Department has sent three traveling baseball teams to the Metropolitan Junior Baseball League World Series in Orlando, Fla.

The 12U, 14U and 16U teams traveled to Orlando this past Mon-

day. The World Series began yesterday and will continue through Sunday.

In past years, Orange has sent teams to the World Series, but this year, three teams are represented.

The players were able to raise

money from the community. The Elks Club also made a substantial donation, said Orange Recreation director Keith Pressey.

“This is a great opportunity,” said Pressey. “It’s a great thing for the program.”
